FREEDOM IS YOURS!

Compact and light, Laurastar Lift is the first steam generator with a handle that lets you take it everywhere, from the ironing board to the clothes hanger. It is as effective for a final touch on a hanging garment as for ironing a shirt on the board itself.

DON'T WAIT ANY LONGER!

Laurastar Lift is ready to use in just 3 minutes so you can wear your beautifully ironed shirt in no time. It automatically turns off after ten minutes of non-use.

PROFESSIONAL IRON

Laurastar's exclusive professional soleplate diffuses an ultra-fine yet powerful steam that adapts to all fabrics and enables vertical steaming. Its rounded shape helps to prevent unwanted creases.
